

Dawley Maps

What to do

Look at a modern Ordnance Survey Map and Dawley High Street and the area immediately around it.

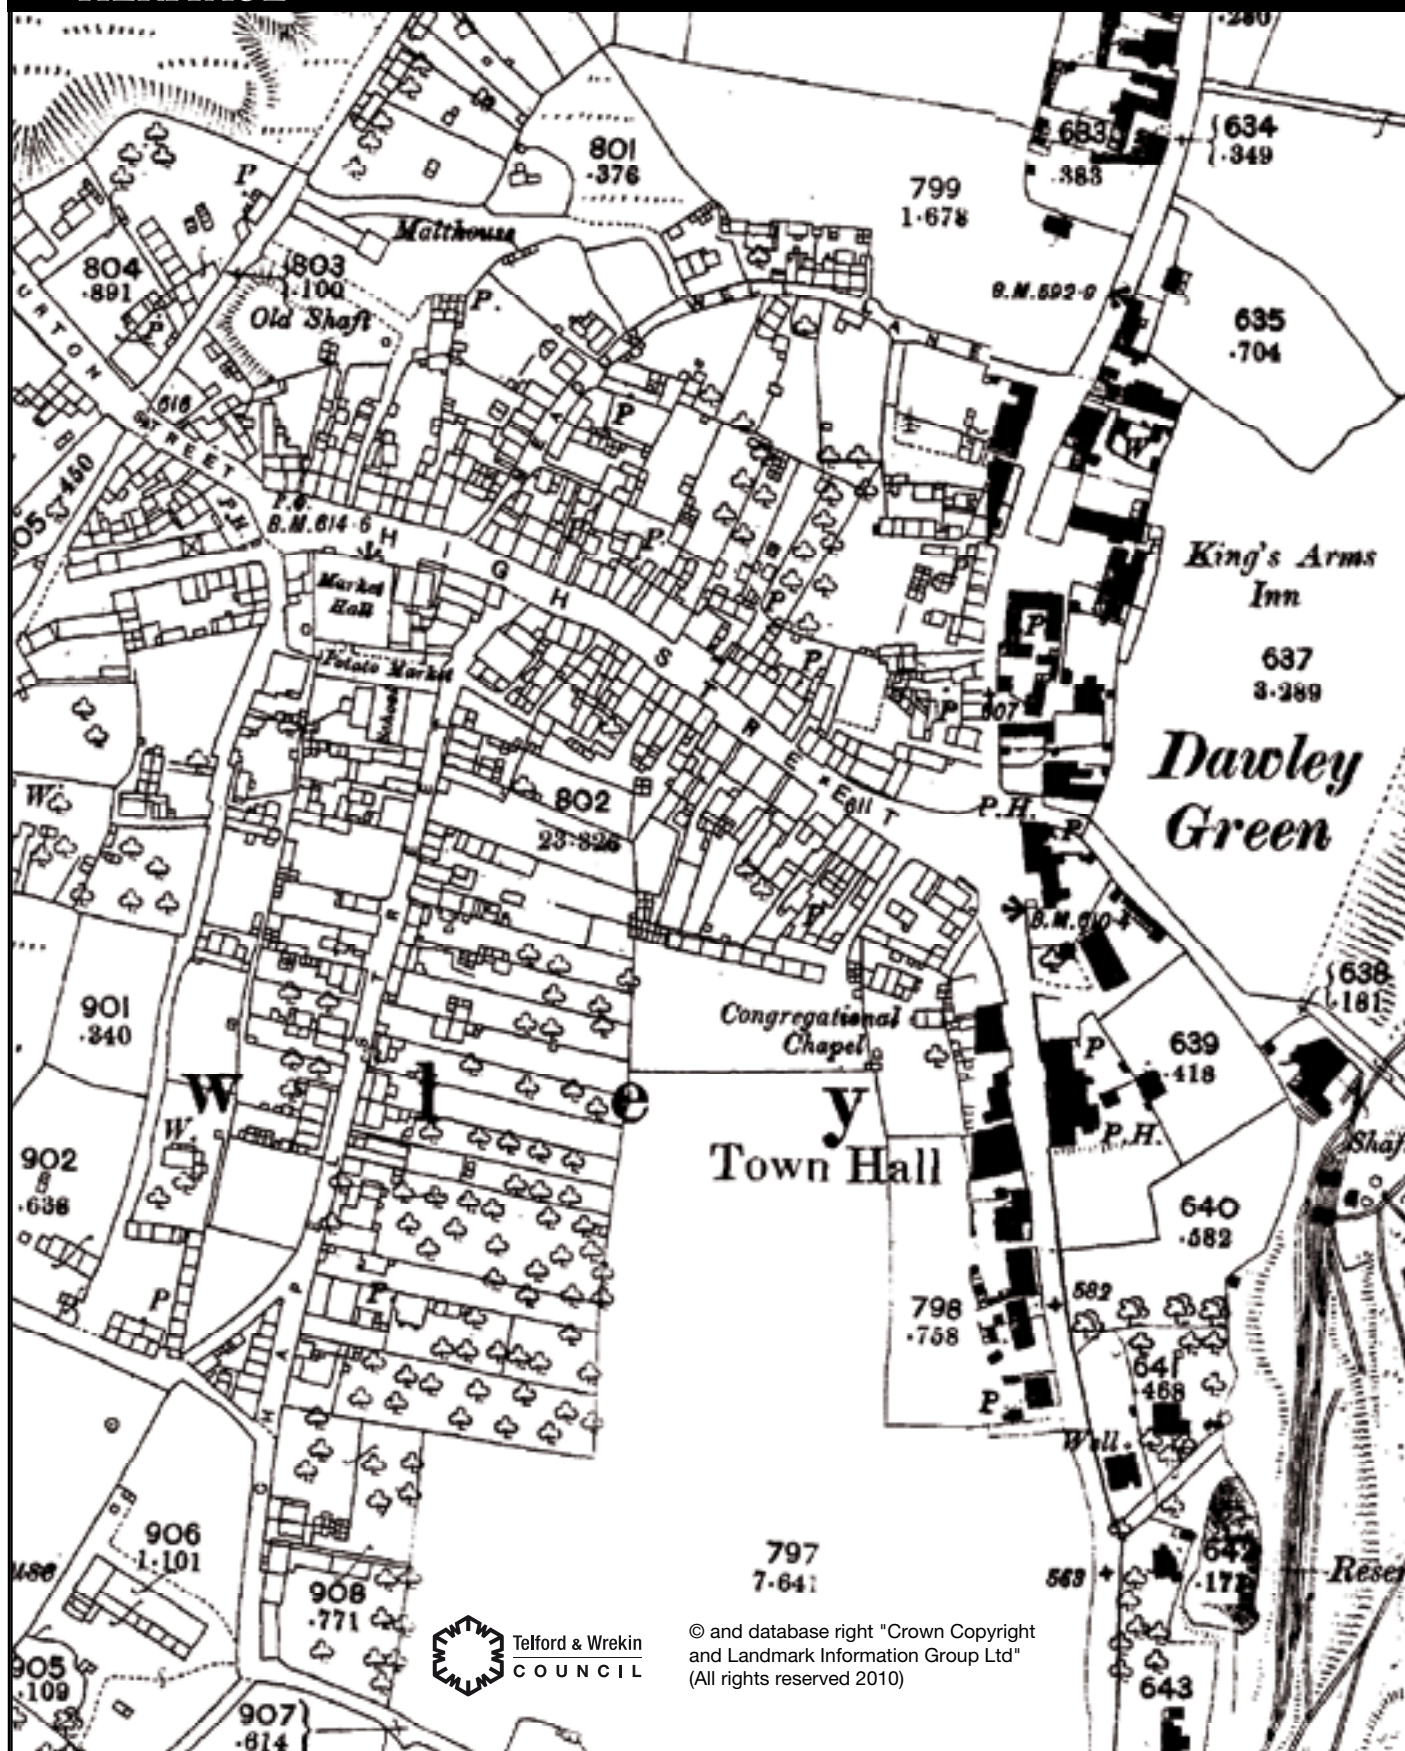

Look at the area and try to identify places that are marked on the map for the area.

Now look at the same area on an old map

Questions to consider

1. When was this map produced - how old is it?
2. How is it different to the modern OS map?
3. Make a list of the places marked on this map. Are they still there on the current map?
4. Can you work out what P.H. means?
5. What can this map tell you about the way people
 - ◆ lived
 - ◆ worked
 - ◆ travelled
 - ◆ spent their leisure time
